Dear Tom,

As a result of your kindness, a dog rescued from a cruel environment sleeps safely tonight, a feral cat and her kittens are curled up in a warm and dry cubby, and countless other animals will soon find a home with gentle and loving families.

Thank you for your generous gift of \$5,000.00 received on 11/14/2016 for your sponsorship of the 2017 Monmouth County SPCA Calendar.

Your support helps the MCSPCA prevent cruelty to animals through law enforcement and helps hundreds of homeless animals remain healthy, fed and well cared for as they wait to find their forever homes. Our shelter provides low-cost spay/neuter, microchipping and vaccination programs, humane education and pet therapy, dog training and provides alternatives to surrender for families in financial distress through our Pet Pantry program. We provide important animal welfare information to the public, are a leader in dealing with feral cat colonies humanely and reunite families with their lost pets. There's a lot going on here at the MCSPCA! You can find out more by going to our website: www.monmouthcountyspca.org.

We could not do this work alone. Your gift enables us to fulfill our mission to protect and advocate for all animals. Because of your generosity we can provide a safe haven for the dog who knew nothing but violence and a secure spot for a street cat to rest and nurture her kittens. All of the animals who come into our care are better for the vision *you* have for their future. We are so grateful for your support!

Sincerely,

Ross Licitra
