Dear Tom:

Once again, we want to express our deep and heartfelt gratitude to you for generously supporting the Visiting Nurse Association Health Group's Stately Homes by-the-Sea Designer Show House Ad Journal in support of Visiting Nurse Association Health Group. Your contribution will help us continue to provide the very best, most compassionate home health, hospice and community based care to every patient we care for, regardless of their circumstances or ability to pay. As a nonprofit organization with a 100 plus year old mission of caring for the vulnerable, at-risk and terminally ill, we rely on philanthropic support to ensure that we can fulfill this mission while also innovating and implementing new models of care in response to the changing demographics and health care system.

While the tragic fire at the Show House was indeed a low point for the VNA, we have been encouraged by the incredible outpouring of support and good wishes received in the aftermath. This lifts our spirits and in turn helps our dedicated volunteers and staff continue to do their important work each and every day. We thank you again from the bottom of our hearts for your patience, understanding and generosity. Our best wishes to you and your family for a happy and healthy holiday season.

Sincerely,

Bridget A. Murphy, CFRE  
Chief Philanthropy Officer
