

June 2018

On behalf of Costco and the Children's Miracle Network, we wanted to thank you for your generous donation and for your participation in this year's campaign to raise money for the Children's Miracle Network.

Children's Miracle Network Hospitals raises funds for 170 children's hospitals. When a donation is given it stays in the community, helping local kids. These donations have gone to support research and training, purchase equipment, and pay for uncompensated care, all in support of the mission to save and improve the lives of as many children as possible. Locally, Children's Miracle Network funds Children's Specialized Hospital, the largest pediatric rehabilitation hospital in the country.

Children's Specialized Hospital is the preeminent provider of rehabilitation services for children with special needs. The hospital serves children affected by brain injury, spinal cord injury, premature birth, autism, developmental delays, and life-changing illnesses. Children's Specialized Hospital has thirteen sites in New Jersey and treats over 34,000 children each year, making it the largest pediatric rehabilitation system of its kind in the nation. The impact to the children and families is immeasurable.

THANK YOU! We couldn't have done it without you!

Please consider supporting Children's Specialized Hospital through our Children's Miracle Network Hospitals campaign with Costco again next May to help them to continue to reach this extraordinary level of support for the kids.

As an extra token of our appreciation we displayed your advertisement for an additional two weeks for all of our members to see. Thanks again.

My deep appreciation and gratitude,
