Turning heads.

With a bold, aggressive face and sharp, sophisticated body lines throughout, every angle of the Civic is able to capture attention on the road. But there’s so much more to this sedan than a sleek profile.

Confidence on the road.

Even the most attentive of drivers can miss things. That’s why Honda offers an array of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

- Advanced Compatibility Engineering™ (ACE™) body structure
- Advanced driver and front passenger airbags
- Multi-angle rearview camera

The Honda Sensing® Suite.

A - Collision Mitigation Braking System™ (CMBS™)
CMBS can help bring your vehicle to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

B - Lane Keeping Assist System (LKAS™)
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep your vehicle centered in a detected lane.

C - Road Departure Mitigation System (RDM™)
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

Adaptive Cruise Control (ACC™)
ACC helps you maintain a set following interval behind detected vehicles for highway driving.
and avoiding collisions. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle.

RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision.

All Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty. Plus, Honda vehicles are covered by a 5-year/60,000-mile Limited Powertrain Warranty, too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.
